

IV. REMARKS

Applicants respectfully filed this divisional application pursuant to 37 CFR §1.53B and respectfully request the granting of a filing date. This application is filed during the dependency of the Parent Application, 09/793,873, filed on February 27, 2001. This application is filed to pursue nonelected subject matter from the Patent case. The Claims chosen in this divisional application are the claims that were originally restricted to Group 2 from the restriction required on the Parent Case of May 16, 2002. The claims are believed in the condition for allowance of such action as respectfully requested.

In conclusion, should the examiner feel an interview would further the prosecution of the case, the examiner is invited to contact the undersigned attorney. Please charge any required fees and credit any credits to deposit account 02-2334.

Respectfully Submitted,

William P. Ramey III
Attorney for Applicants
